IADB-SU-T1139

### Strengthening the Conditions for Firm Competitiveness and Entrepreneurship

#### **Project Description**

The project will support the Government of Suriname in strengthening its regulatory framework to advance business climate reforms to promote economy diversification, private sector development and innovation, by providing a non-reimbursable resource to review and/or elaborate policies and regulations that support the resolution of regulatory gaps; provide institutional strengthening to the development of innovation initiatives; and support public institutions in the implementation of entrepreneurship and innovation projects.

ACCESS TO INFORMATION

You can submit a request for information disclosure at:

https://www.iadb.org/en/access-information/information-request.

#### **ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST**

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
