IADB-SU-T1140

Program to Strengthen Fiscal Sustainability for Economic Development in Suriname

Project Description

This TC's main objective is three-fold: (i) to support Suriname's Ministry of Finance and Planning (MOFP) by increasing the capacity and knowledge of the management team in the areas of tax reform, State-Owned Enterprises (SOEs), budget planning and execution, and debt management; (ii) to improve the technical capacity of the executing agency to aid policy decision-making at the leadership level of the organization; and (iii) to support relevant activities and administrative procedures needed to execute the loan program SU-L1065. To achieve this objective, this TC will finance activities that will put in place effective policymaking conducive to regain fiscal sustainability in the medium and long term.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
