IADB-SU-T1154

Support for Implementation of Consolidating Access to Inclusive Quality Education in Suriname

Project Description

The general objective of this Technical Cooperation (TC) is to assist the Ministry of Education, Science and Culture (MOESC) in the technical and operational execution of SU-L1059 in specific areas for which studies were carried out during the project design phase. This will include: (i) support for the development of an inclusive education strategy and awareness campaign, (ii) the design of a fund to improve school infrastructure for public and private schools, and (iii) technical support for the school infrastructure component.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
