Support for Education Transformation with Inclusive Access to Quality Education

#### **Project Description**

According to the Bank's website, the objective of the TC is to support the Ministry of Education (MOE) in its efforts to transform the education system towards a more modern, inclusive, and relevant system. This general objective will be pursued through the following specific objectives: (i) strengthening secondary schools' infrastructure, resiliency and technology preparedness for climate change (ii) designing a strategy to support students' transitions within the education system and; (ili) modernizing and strengthening the programs offered in primary and secondary (including TVET offerings)

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
