<b>Loan Amount (USD)</b>	\$ 150.00 million
<b>Project Cost (USD)</b>	\$ 150.00 million

## Project Description

According to the IADB, the overall objective is to increase the efficiency of road maintenance spending in order to preserve the connectivity of the National Road Network (RVN). The specific objectives are: (i) to ensure adequate levels of service in the intervened sections of the RVN; and (ii) to promote the improvement of the governance of the institutions involved in the road investment process.

## Investment Description

- Inter-American Development Bank (IADB)

### Contact Information

No contacts available at the time of disclosure.

### IDB

### ACCESS TO INFORMATION

You can submit a request for information disclosure at:

<https://www.iadb.org/en/access-information/information-request>.

### ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
