Investment Amount (USD)	$ 0.10 million
Project Cost (USD)	$ 0.10 million

Project Description

The objective of this TC is to provide technical support to the Government of Uruguay in the process of reforming the pension system. To this end, it will work in collaboration with the Committee of Experts on Social Security with three specific objectives: (i) generate technical inputs to the design of the social security reform proposal, (ii) contribute to social dialogue through the implementation of a communication strategy with relevant stakeholders, and (iii) identify opportunities for institutional strengthening based on data science and behavioral economics techniques.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
