Investment Amount (USD)	$ 0.01 million
Project Cost (USD)	$ 0.01 million

Knowledge Exchange in Capacity Building of the Commission for the Promotion and Defense of Competiti

Project Description

The objective of this technical cooperation is that the Commission for the Promotion and Defense of Competition has tools for the analysis of the effects of economic concentrations on market competition. The Commission members will be able to see in practice how the Chilean competition authority (National Economic Prosecutor's Office) carries out this analysis. This objective will be achieved through the exchange of experiences with Chile.

Investment Description

- Inter-American Development Bank (IADB)

Ordinary Capital

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
