ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to <u>MICI@iadb.org</u>. You can learn more about the MICI and how to file a complaint at <u>http://www.iadb.org/en/mici/mici,1752.html</u> (in English) or <u>http://www.iadb.org/es/mici/mici,1752.html</u> (Spanish).
