Support to the Venezuelan Ministry of Commerce in institutional strengthening in the areas of export

Project Description

The overall objective of the project is to support the Bolivarian Republic of Venezuela, and in particular to the "Ministerio del Poder Popular para Comercio Exterior e Inversión Internacional de Venezuela" , in its objective of further enhancing the country's foreign trade sector, through the promotion of trade facilitation to reduce the time and costs of Foreign trade transactions, among others.

Support to the Venezuelan Ministry of Commerce in institutional strengthening in the areas of export

- Inter-American Development Bank (IADB)

Contact Information

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
