Project Description

The proposed financing to Mercon B.V. and Mercon Coffee Corp. (the "Borrowers", "Mercon" or the "Company") aims to provide liquidity to Borrowers, throughout the coffee value chain from their operations of origin, coffee production (own and from third parties) and its processing, to destination, logistics and commercialization (mainly exports), to promote the growth of its sales of coffee originating in Brazil, Colombia, Guatemala, Honduras, and Peru.

The proposed financing consists of a revolving, uncommitted, short-term credit line linked to sustainability parameters of up to US$50 million, which will be part of a syndicated credit line of up to US$500 million, subject to optional incremental features. The participation of IDB Invest will support the Company to ensure the relevant financing for its operations, mainly financing its original activities.
