Project Description

Inmobiliaria Ruba, S.A. de C.V. ("Ruba") acquires, develops, and markets integrated housing projects in the social, middle-income, and residential housing segments. The proposed operation consists of granting Ruba and its subsidiaries: i) a long-term revolving facility to finance social and middle-income housing projects in Mexico; and ii) an uncommitted revolving reverse factoring facility to monetize creditor rights arising from the sale of goods or services by suppliers to Ruba.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
