Investment Type(s)	Equity
Investment Amount (USD)	$ 3.00 million

Project Description

VU Security is a global cybersecurity company specialized in identity protection and fraud prevention, supporting more than 350 organizations through the development of secure and frictionless digital experiences both for individuals and companies, throughout the digital transformation process.

According to the Bank’s website, the capital raised through the funding round will be used to finance the Company's growth, through the development of new products and services and launch of new channels for joint ventures and partnerships, aiming to position VU Security as a global supplier of cybersecurity and identity management services.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
