Project Description

According to the IDB Invest,

The transaction consists of a loan to acquire a fleet of 229 electric buses and build the charging infrastructure associated with the provision of the mass transportation service in the Usme area of the city of Bogotá, capital district of Colombia, following the concession contract. N° 108 of 2021 signed between Empresa de Transporte del Tercer Milenio - Transmilenio S.A., manager of the public mass transport service system in the city and Usme ZE S.A.S. The approximate cost of the project is up to US$92 million and it is expected to have a participation of up to US$31 million or equivalent in Colombian pesos.

The project will make it possible to replace part of the Transmilenio public transport fleet, from diesel buses to electric buses, reducing carbon emissions, improving air quality and serving as an example for the region.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
