---

## Project Description

The proposed transaction involves a structured financing initiative directed towards DOSTORRES, S.A. (the "Borrower"), supported by Hospitales Nacionales, S.A. This initiative aims to (i) finance the design, construction, operation, and maintenance of Hospital Costa Verde (the "Project"). The hospital complex will be located in the region of Panama Oeste and will be its first third-level private hospital. The project will implement climate resilient infrastructure elements in the design and construction of the hospital as well as attaining an EDGE certification, those measures to be supported by IDB Invest.

## ACCESS TO INFORMATION

You can submit a request for information disclosure at: <https://www.iadb.org/en/access-information/information-request>

## ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
