Investment Description

- IDB Invest (IDBI)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [Bancop](#) (Financial Intermediary)

Private Actors Description

According to the IDB Invest, Bancop is the only bank owned by the main production cooperatives in Paraguay. The bank began operating in July 2012, and now has ten and six service channels, which include its headquarters in Asunción, twelve branches, two Customer Service Centers (CAC) and a Non-Banking Correspondent (CNB), all strategically located in the most productive areas of the country. Bancop is committed to offering high-quality, innovative and competitive products and services to its clients. Its mission is to support the sustainable development of Paraguay by providing financial services to different economic sectors.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
