Project Description

According to the Bank's website, El Viajero Hostels S.A.S., a company established in Colombia that operates a regional chain of hostels, is seeking a credit facility of up to US\$5 million to finance its growth and expansion plan in Latin America, which initially involves the development of new hostels in Colombia, Peru and Mexico. Additionally, the Company aims to strengthen its impact and sustainability practices, which is why it wishes to take advantage of the experience of IDB Invest and its advisory services to amplify its sustainability programs at the regional level, thus increasing its social and environmental commitment.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
