## Project Description

The Project consists in an equity investment of up to USD 5 million in Nazca C-Fund I, LP, a new regional venture capital growth fund aimed at investing in the most notable high-performing digital-based companies of Nazca Fund I and Fund II to support their high growth potential across Latin America and the Caribbean.

The Fund will invest in successful expanding companies requiring more capital than the one available in Nazca's initial funds. The Fund will provide capital to young, innovative and fast-growing firms across the region. Thus, it will contribute to job creation, increased productivity and, finally, economic growth. The Project is also expected to enable technology transfers and contribute to improving the development of the Mexican and regional innovation ecosystem.

## ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
