Project Description

According to the IDB Invest, the finance the construction and commissioning of a new high-complexity medical complex in Guayaquil, Ecuador. The Millenium Med complex will include a third-level hospital with 113 beds, 23 for intensive and intermediate care. It will offer over 20 medical specialties, clinical support services, 8 operating rooms, and cutting-edge medical imaging, radiotherapy, and nuclear medicine technology. Additionally, the complex will feature a tower of medical office spaces for rent, with parking facilities. This project addresses the country's shortage of specialized healthcare services.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
