Project Description

According to the IDB Invest, the proposed investment (the "Project") involves the subscription of a three-year senior bond divided in two series (being one green and other social) issued by Itau Unibanco Holding S.A., acting through its Grand Cayman Branch ("Itau" or the "Bank") under its Global Medium-Term Note Programme ("MTN"). The bond was privately placed and listed on the Luxembourg Stock Exchange. The total issuance amount was US\$250 million, with the International Finance Corporation ("IFC") subscribing US\$200 million and mobilizing IDB Invest to subscribe an additional US\$50 million. The bond was additionally issued under Itau's Sustainability Finance Framework, supporting the Bank's lending program for biodiversity projects related to the Reverte Program and Small and Medium-Sized Enterprises ("SMEs"), with a carve out to support SMEs in Rio Grande do Sul to aid in the disaster recovery in the state.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
