Project Description

According to the IDB Invest, this project consists of a senior loan of up to US\$5 million with a tenor up to five years, including a grace period of up to one year. The loan proceeds will be used to finance sub loans aimed at Micro, Small and Medium-Sized Enterprises ("MSMEs"), with a specific focus on women-led MSMEs. Likewise, the project will be accompanied by technical advisory services provided by IDB Invest that will support IPED in the development of a strategy focused on the MSME segment with specific focus on women, which support the increase of this target portfolio within their portfolio and also, in matters of digitization to achieve greater financial inclusion.

Investment Description

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
