Project Description

According to the IDB Invest, the proposed transaction with Trinidad and Tobago Mortgage Bank ("TTMB" or the "Bank") consists of a senior secured bond financing of up to TTD550 million with a tenor of up to five years, to be funded by IDB Invest and co-investors. The use of funds will support TTMB in providing affordable residential mortgage financing in Trinidad and Tobago. As a non-deposit taking institution, TTMB relies primarily on intermediate tenor loans and debt capital markets instruments to fund its lending operations. Additionally, this will be the first social bond issuance to be offered to investors in the local capital markets. The impact of the captioned issuance should encourage the participation and knowledge building capacity of investors towards sustainable bonds.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
