## Project Description

The proposed project consists of an investment of up to R\$200 million (approximately US\$35 million) in Patria Credito Amazonia (the "Fund"), which will aim to build a portfolio of structured debt investments to support companies operating in the Legal Amazonia. The Fund will be managed by Patria Investimentos (the "Fund Manager" or "Patria").

With a target size of R\$1 billion (approximately US\$175 million), the Fund is expected to make approximately 20 investments with ticket sizes typically ranging from R\$50 million to R\$100 million (approximately US\$9 million to US\$18 million) throughout its life. The Fund will focus on sustainable industrial development, sustainable agriculture, transportation efficiency, logistics and warehousing projects, and financial inclusion. The Fund will have a nine-year term and a seven-year investment period.

## ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
