Project Description

According to the IDB Invest, the proposed transaction for Invesmar consists of a senior secured loan of up to US\$35 million, with a term of up to 10 years, including a 2 year grace-period. The financing will be structured in two tranches: (i) a committed first tranche of up to US\$25 million aimed at financing the Tahiti lime business, including planting, irrigation, and working capital, as well as the construction of a fertilizer plant; and (ii) an uncommitted second tranche of up to US\$10 million, intended for investments related to additional agribusiness activities.

The project will promote the diversification and expansion of Invesmar's operations, strengthening its sustainable agro-industrial ecosystem and competitiveness in agricultural exports, while also supporting the substitution of imported agricultural inputs and generating employment in rural areas.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
