Project Description

According to the IDB Invest, the proposed transaction with Operadora y Procesadora de Productos Marinos OMARSA S.A. ("Omarsa" or the "Company"), one of Ecuador's largest shrimp exporters, consists of a secured senior loan of up to US\$50 million, with a term of up to 10 years and including a one-year grace period.

The funds will support the Company's investment plan in its shrimp operations, primarily in: (i) acquisition of equipment and infrastructure improvements at farms to increase productivity and sustainability; (ii) expansion of its packing plants and purchase of equipment; and (iii) upgrades to infrastructure and equipment in its laboratories.

The Project will contribute to: (i) increasing Ecuador's shrimp exports by Omarsa; (ii) improving farm productivity and sustainability through investments in equipment and infrastructure; and (iii) generating employment, among other positive impacts.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
