Project Description

As stated by the IDB Invest, the present operation consists of a long-term financing of up to US\$100 million, with a tenor of up to 8 years, including a 2-year grace period, for Exportadora de Postes GDL, S.A. de C.V., a Mexican company dedicated to the manufacturing of steel poles and hardware for the electrical industry. The loan will be used to cover capital expenditures related to the construction of a new service center, as well as the acquisition and installation of machinery and equipment, with the aim of increasing the company's production capacity.

The Project involves the construction and operation of an 80,000-square meter industrial facility that will house a metalworking service center in Ixtlahuacan de los Membrillos, state of Jalisco, Mexico. Specialized equipment, steel coil levelers, and laser and plasma cutters—will be installed at the center to process and supply materials to industrial clients. The site where the Project will be located is a plot of land, clear of all vegetation.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
