Project Description

According to the IDBI, The Companies of the project are seeking financing structured as follows: (i) a committed tranche to support imports and the purchase of goods primarily within the Food & Beverage and Electrical & Lighting segments of the Distribution Division; and (ii) an uncommitted tranche to finance future capital expenditures as well as additional imports and purchases of goods (together, the "Project").

The Project's main objectives include (i) Climate Mitigation: the financing will support the importation of products that contribute to carbon emission reductions; (ii) Regional Integration: a portion of Hadco's imports originate from intraregional trade partners within Latin America and the Caribbean, enhancing regional trade ties; (iii) Food Security: Hadco imports essential food items--including rice, meat, milk, and pasta--which play a key role in ensuring food availability in the region, and (iv) Sustainability: the Project will help strengthen Hadco's environmental and social standards, as well as enhance the company's overall sustainability strategy.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
