## Project Description

According to the IDB Invest, Trinidad Tissues Limited is seeking financing of up to US\$30 million, structured as follows: (i) a committed tranche of up to US\$20 million to support its 2026-2027 capital expenditure program, refinance existing debt, and cover working capital needs; and (ii) an uncommitted tranche of up to US\$10 million to finance additional capital expenditures, including the construction of a distribution center, as well as working capital requirements (together, the "Project").

The Project's main objectives include (i) operational efficiency and competitiveness: capital investments will enable TTL to maintain high standards of safety and efficiency, expand production capacity, achieve economies of scale, and strengthen its position in the Caribbean market with higher-value products; (ii) promote regional Integration: By increasing production, TTL will expand the availability of high-value-added products across the Caribbean; (iii) support industrial development in Trinidad and Tobago: The Project aligns with the country's industrial diversification agenda by fostering private-sector investment in manufacturing and creating demonstration effects for other companies in the sector; and (iv) advance sustainability: The Project will strengthen TTL's environmental and social standards and reinforce the company's long-term sustainability strategy.

## ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
