### Project Description

As stated by the IDB Invest, DICOMA is a leading Engineering, Procurement, and Construction (EPC) company in the renewable energy segment, headquartered in Costa Rica with operations across several countries in Latin America. The company specializes in the design, engineering, and construction of projects, as well as in machinery, refrigeration, and clean energy solutions.

With more than 15 years of experience, DICOMA provides integrated solutions in civil engineering, industrial refrigeration, sustainable energy, and real estate development. To date, the company has executed over 250 projects in seven countries and has installed more than 80 MW of photovoltaic capacity across the region.

Its project portfolio includes large-scale industrial facilities, energy efficiency initiatives, renewable energy systems, and Build-to-Suit (BTS) developments, combining specialized design and construction capabilities with advanced refrigeration and clean energy technologies.

The operation consists of a corporate finance loan to support the company's operations across its portfolio.

## ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
