Project Description

According to the IDB Invest, the bank is considering providing a corporate loan of up to US$100 million to Valores Corporativos Softtek, S.A. de C.V. ("Softtek" or the "Company"). The proposed financing will be used to support the execution of the Company's project pipeline over the next two years, including the expansion of the technological capabilities of its development centers and the hiring of technology professionals required to deliver digital transformation projects across Mexico and Latin America.

The objective of the proposed financing is to support Softtek's growth and strengthen the digital economy in Latin America through the expansion of digital engineering, cloud, data, and artificial intelligence services. Founded in Mexico in 1982, Softtek is a leading provider of digital engineering and information technology services, with operations in more than 20 countries.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
