Project Description

As stated by the IFC, the proposed Project is to provide (i) financial support to increase the land under cultivation by approximately 120,000 ha by year 2012 in connection with the Company's expansion plan in farming and poultry operations, (ii) guarantee for the purchase of farming equipment and machinery. This would be IFC's third investment in the MHP. In 2003, IFC initially invested in MHP to support its efforts in chilled poultry distribution and sunflower feed technology (Project ID 21071). The project was successful and IFC followed-up with an equity investment and a loan in 2005 (Project ID 24011) for further expansion of existing and construction new facilities in Mironivsky's integrated poultry operations. Information about these projects was disclosed on the IFC's site and locally.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>.
