Project Description

Alta Growth Capital is a private equity firm that manages the Alta Growth Capital, Mexico Fund, L.P., a fund dedicated to investing in a diversified portfolio of private equity and equity-linked investments in middle market companies operating in Mexico. According to its website, the firm target sectors benefiting from the rising domestic consumption of goods and services in the Mexican and U.S. Hispanic markets, including such industries as consumer goods, financial services, housing, healthcare, education, entertainment, and selective manufacturing and industrial sectors.

IFC supported the creation of Alta Growth Capital Management in 2007 as a partnership comprising members of the former Baring Mexico Private Equity Partners (Mexico, Project No. 9357, 4594) S.C. and Spring Capital. In the past five years the Alta team has raised \$135 million in capital commitments distributed in three funds: i) \$75 million in Alta Growth Capital, Mexico Fund, L.P. (2007); ii) \$60 million in an early-stage funds (2011), Alta Ventures Mexico Fund, L.P. (Project No. 28086) which includes the Kickstart program, a seed capital facility that supports innovation. The Alta team has also created a strong network that brings together industry experts, executives, entrepreneurs, and capital sources behind the funding and mentoring of seed, venture and growth investments.
