Project Description

The project is to support Protelindo in expanding its nationwide network of telecommunication towers which are leased to Indonesian mobile phone operators pursuant to long-term lease agreements. Protelindo is the largest independent owner and operator of tower sites in Indonesia.

The Company owned and operated 8,460 towers as of December 31st, 2012. As an independent tower operator, the Company allows multiple mobile operators to share tower space, creating significant economic and other benefits in the Indonesian mobile market which is undergoing rapid growth. The proposed IFC financing is expected to include a loan of up to US\$50 million.

Investment Description

- International Finance Corporation (IFC)

The total project cost is estimated at approximately US\$1.0 billion. The proposed IFC financing is expected to include a loan of up to US\$50 million.

Private Actors Description

Protelindo is owned by PT Sarana Menara Nusantara Tbk (“SMN”) which is listed on the Indonesia Stock Exchange. Protelindo is SMN’s sole operating subsidiary. SMN’s largest shareholder is the Hartono family of Indonesia with 34% ownership. The remaining shares are held publicly including by the Company’s management and advisory team. The Hartono family operates businesses in a variety of sectors, including PT Djarum and PT Bank Central Asia Tbk.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
