## Project Description

The proposed investment in Cerradinho Bioenergia S.A. (“CerradinhoBio” or “the company”) will support the expansion of a large Brazilian ethanol, and biomass-based electricity producer with operations in the state of Goiás. Specifically, the project will support the company’s investment project for increasing crushing and electricity generation capacity.

## ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
