Project Description

This project provides funding intended towards major construction to expand the campus of the Pontificia Universidad Javeriana.

It includes construction of and equipping for a new main 11300 square meter student building, new 19000 square meter engineering, health and science faculty buildings and demolition of 14,400 square meter of these old faculty buildings; and Edificio Calle 125. Edificio Calle is not located on the campus itself, and will involve construction in the city of Bogotá itself.

Investment Description

- International Finance Corporation (IFC)

It is not stated what the size or nature is of the specific investment by the International Finance Corporation. The total cost (\$110 million) is the only amount specified.

ACCOUNTABILITY MECHANISM OF IFC/MIGA:

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
