Project Description

This project finances IFC investments in mid-market growth and replacement capital transactions, specifically in high-growth opportunities in order to construct a portfolio of investments diversified by sector and deal type and to capture mid-market growth opportunity in Sub-Saharan Africa.

Investment Description

- International Finance Corporation (IFC)

This project entails an IFC equity investment for the lesser of ZAR 300.0 million or US \$22 million, not to exceed 20% of total commitments, in Metier Capital Growth Fund II, a 10 year closed-end fund seeking to raise up to ZAR 3 billion. The manager of Metier Capital Growth Fund II is Metier Private Equity Proprietary Limited, a private company incorporated in accordance with the laws of South Africa and a Category II authorized financial services provider in terms of the Financial Advisory and Intermediary Services Act, 2002. Metier Private Equity Proprietary Limited is a full investment house with capabilities in advisory, corporate law services, and back-office compliance, and was founded in 2003, although its founding members have worked together since 1986. With 15 professionals across the investment, legal and finance functions, Metier's team has deployed US\$1.25 billion (at deployment FX rates), with over 82 transactions returning an estimated 2.6X cash at a 36% IRR with 85% investment realization. The investment team will be responsible for deal origination and structuring, value creation and exits, and is comprised of investment professionals with operational and technical support from the larger Metier Private Equity Proprietary Limited network.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
