Project Description

Malia Invest S.A.L., a company incorporated in Beirut, Lebanon, is planning to develop a greenfield, multi-functional entertainment center of 16,685 sqm being constructed in Sulaymaniyah, Iraq.

The project, Magma Square, is a multi-functional shopping center in Sulaimaniya in the Kurdistan region of Iraq with cost estimated at US\$26.6 million. The project is planned on 20,000 m² of land having built up area of 31,200 m² with total gross leasable area (GLA) of 17,500 m² (87% of the total allocated land) and parking lot for 580 cars on 5,500 m². Landscaping and public circulation covers 7,855 m². Magma Square will feature multiple food and beverage concepts with reputable brand names on an international and regional scale as well as a selection of retail shops ranging from convenience items to medicine, printing, stationary, accessories, and technology related products. In addition to a movie theatre, the project includes a branded supermarket and a full fledged health and beauty centre. The Project's Sponsor is Malia Holding (Malia) - a well-diversified Lebanese conglomerate with operations in Lebanon and Iraq. Project Borrower and implementing entity is Malia Invest Holding (Malia Invest or Company) which is a fully owned subsidiary of Malia Holding. The project will be developed by CAPLINE and managed by MAGMALINE (a full-service facility and property management company) both subsidiaries of Malia Group. The project land owner, the American University of Iraq - Sulaimani (AUIS), have gone into a 25 years land occupancy/BOT contract to plan, construct and operate the project. The project site is well-located at the main gate of the American University and facing the main entrance of the Sulaymaniyah University (another large university). The project has a direct access to the main city highway road. The project is in final construction phase, with all civil, electrical and mechanical works completed, and soft opening is set for last quarter of 2018.

Investment Description

- International Finance Corporation (IFC)

Total Project cost is US\$26.5 mn, where US\$17.5 mn (66% of total Project cost) will be equity contribution by the Group. IFC is proposed to extend an A loan of up to US\$9 mn to the Company to support the Project.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
