## Project Description

The project proposes an IFC investment of US$15 million, not to exceed 20% of committed capital, in AFIG Fund II, a 10-year closed-end fund raising US$300 million to invest in SMEs in East, West and Central Africa. The Fund will primarily provide expansion capital investments to established, successful businesses seeking capital to grow.

## Investment Description

- International Finance Corporation (IFC)

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at http://www.cao-ombudsman.org/
