## Project Description

The proposed project will support Grooming People for Better Livelihood Centre, a microfinance institution targeting micro entrepreneurs. More than 90% of clients are female borrowers that run small-scale trading and production businesses. The project will allow Grooming to fund its expansion of active borrowers (all of which are microenterprises) across Nigeria significantly by the end of 2019.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
