<b>Project Cost (USD)</b>	\$ 7.50 million

---

## Project Description

The proposed IFC investment is comprised of (i) a US\$3.5 million A loan for IFC's own account, (ii) a US\$4 million Parallel loan, and may include (iii) a US\$3.5 million from IFC in its capacity as implementing entity for the Private Sector Window ("PSW") of the Global Agriculture and Food Security Program (the "GAFSP") (the "project"). The proposed project is a refinancing and growth program to help Insta expand its Ready to Use Therapeutic Food ("RUTF") production capacity on the back of an increased supply to the East Africa region.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
