Project Description

According to IFC website, the Cambodia-Laos-Myanmar Development Fund II, L.P., is a ten-year private equity fund with a target size of US\$70 million. The Fund will focus on small and medium-sized enterprises in Cambodia, Laos and Myanmar. The Fund will be managed by Emerging Markets Investment Advisers Pte. Ltd., an independent private equity manager. The founding Partners of the Fund are Messrs. Trent Eddy and Joshua Morris.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
