Project Description

The proposed project is to lend to ABC Brasil to support the expansion of the climate smart portfolio of the Bank and the expansion of its Small and Medium Enterprises (“SME”) portfolio; Addressing the lack of access to finance for SMEs is a strategic priorities for IFC. SME finance is identified by the bank as a constraint to shared prosperity and poverty reduction observed in many emerging economies. In addition, supporting climate-change mitigation investments through financial intermediaries is also a key pillar of IFC’s strategy.

ACCOUNTABILITY MECHANISM OF IFC/MIGA

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
