## Project Description

The Project is to provide:

- (i) a senior loan that consists of up to US\$50 million A loan as well as up to US\$50 million B/ Parallel loan, and
- (ii) a trade finance guarantee facility of up to US\$50 million through IFC Global Trade Finance Program (“GTFP”) to Vietnam Prosperity Joint Stock Commercial Bank (“VP Bank” or the “Bank”).

Through the investment, IFC will support the Bank’s growth strategy to expand its reach to small and medium enterprise (“SME”) and micro SME (“MSME”) borrowers, particular women-owned SMEs (“WSMEs”), who play an important role within the economy and contribute towards job creation in Vietnam, as well as mortgage segment. The Project will be supported by IFC’s Women Entrepreneurs Opportunity Facility (“WEOF”).

The Project is expected to have considerable development impact by increasing access to finance for MSMEs and SMEs, particularly women entrepreneurs in Vietnam. That, in turn, will help increase opportunities for women entrepreneurs and improve livelihoods for a wide cross-section of society. It is also expected to improve access to credit in Vietnam as it will enable VP Bank to provide credit to underserved MSMEs and SMEs.
