The Companies' portfolios include projects with mainly potentially limited adverse E&S risks and impacts that are generally site-specific, largely reversible and readily addressed through mitigation measures."

Investment Description

- International Finance Corporation (IFC)

The Companies are the leasing subsidiaries of Bank Zachodni WBK, which was established in 2001 following the merger of Bank Zachodni S.A. and Wielkopolski Bank Kredytowy S.A. Since 2011 the Bank has been owned by Santander Group, which holds 70% of the Bank's capital, with the remaining 30% being listed on the Warsaw Stock Exchange. The Companies are 100%-owned by BZ WBK Finanse Sp. z o.o. which is itself 100%-owned by BZ WBK.

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
