---

## Project Description

The proposed project includes an IFC equity investment of US\$ 90million to support the Procaps capex program. The capex includes building and operation of new greenfield manufacturing plants, expansion of existing production plans, investments in new technologies, and brand acquisition activities. Procaps develops, produces and markets packaged pharmaceutical drugs and advanced drug delivery technologies (i.e., softgel capsules).

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
