Project Description

According to the bank document, the proposed project (“Aanandi: Riverview”) is the construction completion of a seven-story residential building located in Vientiane, Lao PDR. The property is located approximately six kilometers from the main town center within close proximity to many of the embassy buildings, set back one street from the Mekong River.

The building will house 76 units covering a gross floor area of approximately 6,500 m². Construction of the building is expected to be completed by the end of 2019 with the developer also managing the rental operations, targeted to commence at the start of 2020.

The greenfield project will be located approximately six kilometers south of the town center of Vientiane, on a vacant 2,600 square meter plot of land. The site is an urban area, with many suburban houses surrounding.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
