The proposed project consists of a local currency 4-year senior loan of up to XOF4 billion. 50% of the facility is expected to be on-lent to MSMEs in the agriculture sector.

The project includes a possible mobilization of resources from the Global Agriculture and Food Security Program (GAFSP), a multilateral mechanism to support sustainable agriculture in developing countries.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
