## Project Description

Africa's Talking Ltd. ("the Company" or "AT") is a leading pan-African provider of Communication Platform as-a-Service (cPAAS) solutions focused on the fast-growing developer community in Africa. AT caters to the growing digitization of services and mobile-first trend in Africa by enabling high growth African companies to better communicate and engage with their customers. The Company provides a cloud-based platform that enables developers across Africa to integrate messaging, voice, and video communications capabilities into their apps via its self-provisioning, unified access, and easy-to-use application programming interface ("API). AT serves as a bridge between mobile network operators ("MNOs") and developers, offering access to locally relevant MNO services/means of communications such as SMS (bulk and premium), USSD, Short codes, Airtime, Voice, Real-Time Communication, Sender IDs, Keywords, and mobile money.

### ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
