## Project Description

According to the Bank's website, the project provides finance to Apetit for the construction of a slaughterhouse, a cattle farm and solar panels to power its facilities. Apetit's facilities are located in Miloshev. The new farm will be in Babimoc.

According to the Bank's Environmental & Social Review Summary, surrounding communities were consulted during the impact assessment for the new slaughter house and no objections were raised.

## ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at [CAO@worldbankgroup.org](mailto:CAO@worldbankgroup.org). You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
