Project Description

The proposed loan of up to EUR 10 million, to Société Sénégalaise Agro-Industrielle (“Sosagrín”) and Industrie des Boissons du Sénégal (“IBS”) (together with Sosagrín the “Borrowers”), is to support the Borrowers’ investment program, and includes: (i) acquiring a new greenfield site and building new production and warehouse facilities; (ii) expanding production capacity; (iii) implementing a packaging recycling program; and (iv) working capital requirements.

Investment Description

- International Finance Corporation (IFC)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
