Project Description

The proposed project consists of an equity investment of up to EUR15 million in Maghreb Private Equity Fund IV LLC (“MPEF IV” or the “Fund”), a closed-end private equity fund organized as a Mauritius limited liability company with a target size of EUR200 million. The Fund will have a generalist sector strategy and will invest in small and mid-market growth capital transactions primarily in Tunisia, Morocco, Algeria and Egypt.

(i) Access to finance: Improving access to much needed long-term equity capital for SME and mid-market companies in North Africa. (ii) Financial inclusion and sustainability: The Fund will provide access to employment opportunities for individuals and access to cross-border markets for enterprises. The Fund will play an active role in strengthening governance and transparency of the investee companies. Through its hands-on involvement, operating efficiencies of the portfolio companies will be improved, thus promoting growth, sustainability and regional integration.

ACCOUNTABILITY MECHANISM OF IFC

The Compliance Advisor Ombudsman (CAO) is the independent complaint mechanism and fact-finding body for people who believe they are likely to be, or have been, adversely affected by an IFC or MIGA- financed project. If you submit a complaint to the CAO, they may assist you in resolving a dispute with the company and/or investigate to assess whether the IFC is following its own policies and procedures for preventing harm to people or the environment. If you want to submit a complaint electronically, you can email the CAO at CAO@worldbankgroup.org. You can learn more about the CAO and how to file a complaint at <http://www.cao-ombudsman.org/>
